

The Water is Fine - 2009

.... Come on in!

Morning Star Baptist Church

Prepare to go '*Deeper*' as we accept the pastor's challenge
to *NOT* be satisfied with the status quo!!

January–The Sovereignty of God: No doctrine is as neglected and as beneficial as God's absolute Sovereignty. Worship will enhance as you grasp this truth.

February –The Lordship of Christ: The Father has made Jesus LORD of Lords – and yet God's people suffer because they do not submit to His authority.

March–The Fullness of the Spirit: There is a dimension of life that is liberating and exhilarating. No wonder many are depressed, they are half controlled.

April – Calvary's Love: The greatest manifestation of love took place on a rocky knoll called Calvary. We must go deeper in His love in order to be seen as His disciples.

May–The Christian Home: On earth, the Christian home is next to heaven. Is your home a haven of rest or a war zone? Join us as we go deeper.

June–Christian Suffering: Dark clouds are swirling, & we must prepare. Those that live godly in Christ Jesus shall suffer persecution, yet we are more than conquerors.

July–Holiness and Godly Living: No holiness, no happiness. Holiness is NOT legalism, it is essential if we want to see God. Going Deeper will be quite rewarding.

August–The Body of Christ: The NT Church is not part of the Body; it is the Body of Christ. Worship, Work, & Warfare can only be done by a Body that is not crippled.

September–Biblical Evangelism: Confronting the lost isn't a calling or gift, it is a command. We must go deeper with Christ in order to catch men with the gospel.

October–Personal Bible Study: God’s Word is worthy of daily meditation, study, and memorization. The deeper we get into the word, the deeper it gets into us.

November–My Debt to the World: We must go deeper into World Missions, reaching those abroad, and the multi-ethnic souls that God is locating across the street.

December–Prayer and Revival: When we go deeper into our prayer lives we realize that prayer is not getting God to do our will, rather it is us conforming to HIS will.

Then revival will come. **LETS GO DEEPER!!**
